DEBUT

The Debut Guitar exam is for candidates who have been learning a short time and have learnt the basic skills. There are two types of exam available at Debut, Grade Exam or Performance Certificate. Please see the Examinations section for an explanation of the differences.

GRADE EXAM

Prepared work: candidates play 3 pieces that last a maximum of 1 minute and Technical Exercises cover the preliminary areas.

Unprepared work: candidates are required to use their guitar for a simple sight reading test, which is rhythmic reading and two ear tests that begin to develop melodic recall and rhythmic sense. The final part of the exam is a set of 5 simple questions based on the candidate's choice of piece. These are designed to explore simple theory and instrument knowledge

EXAM STRUCTURE

The Debut exam lasts 15 minutes and will be taken in the following structure.

- 1st item - Pieces or Technical Exercises.
The candidate chooses to play either their pieces or their technical exercises first.
- 2nd item - Technical Exercises or Pieces.
The candidate will perform the element not chosen above.
- 3rd item - Sight Reading. The candidate is given a simple previously unseen test to practice and play.
- 4th item - Ear Tests. The candidate responds to two simple tests. One is melodic and one is rhythmic.
- 5th item - General Musicianship Questions.
The candidate answers 5 questions related to a piece of their choice.

PIECES

At Debut the pieces last up to a maximum of 1 minute. This is so the candidate can remain focused and concentrate on the basic requirements of notation, values, sound, control and sync. The pieces contain simple position work and work across strings is simple and paced.

SETTING THE LEVEL OF THE BACKING TRACK

Before playing the first piece all the way through, the examiner will make sure the volume of the backing track

is correct for the candidate by asking them to play along to the backing track for the first few bars. Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Debut there are three groups of technical work.

The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

Tempo: 70 bpm

GROUP A: SCALES

- Major: C
- Minor pentatonic: A, E

GROUP B: CHORDS

Open position chords. Individual chords will be strummed once as directed by the examiner

- Major: A, D, C, G
- Minor: A, E

GROUP C: RIFF

In the exam you will be asked to play the riff from the Grade Debut book to a backing track. The riff shown in bar 1 should be played in the same shape in bars 2–4. The root note of the pattern to be played is shown in the music in each of the subsequent three bars.

SIGHT READING

Tempo: 70 bpm

At Debut you will be offered a previously unseen Sight Reading test that is in the form of a four bar rhythm played on the lowest-sounding E string. An example is shown in the Debut grade book.

The test is made up of half and quarter notes, will be in 4/4. The examiner will allow 90 seconds preparation and practice time and will offer the option of practising with or without a metronome. The candidate will then perform the test for the examination.

EAR TESTS

There are two tests which are, Melodic Recall and Rhythmic Recall.

MELODIC RECALL

Tempo: 85bpm

The examiner will play you two half notes one after the other. You will tell the examiner whether the second note is higher or lower in pitch than the first note. You will hear the test twice. Each time the test is played it is preceded by a one bar vocal count-in. Answers can be 'higher/lower' or 'up/down'.

RHYTHMIC RECALL

Key: Low E string

Tempo: 80 bpm

The examiner will play you a two bar rhythm played to a drum backing on the lowest-sounding E string. You will hear the test twice. You will be asked to play the rhythm back. You will then be asked to identify the rhythm from two printed examples shown to you.

Each time the test is played it is preceded by a one bar count-in. There will be a short gap for you to practise. Next you will hear a vocal count-in and you will then play the rhythm to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

In this part of the exam you will be asked five questions. Four of these questions will be about general music knowledge and the fifth question will be asked about your instrument.

SIGHT READING

Key: D and G major, D and A minor

Tempo: 80-90 bpm

At Grade 4 there is an element of improvisation. This is in the form of a two bar ending. The piece will be composed in the style of rock, funk or blues and will have chord symbols throughout. At Grade 4 the notation consists of half, quarter eighth notes and quarter and eighth note rests in 4/4. The test is 8 bars long. The examiner will allow 90 seconds preparation and practice time and will offer the option of practising with or without a metronome. The candidate will then perform the test for the examination.

IMPROVISATION & INTERPRETATION

Key: D or G major, D or A minor

Tempo: 90-100 bpm

In Grade 4, the improvisation and interpretation test contains a small amount of sight reading. This consists of a two bar section of rhythm (chord) notation at the beginning of the test. You will be asked to play the chords in the rhythms indicated and complete the test using an improvised line made up of chords and lead lines where indicated. This is played to a backing track of eight bars.

The candidate will have 30 seconds preparation time and the examiner will offer the metronome as a guide or throughout this time. The candidate will then have a complete practice run through with the backing track and then on the repeat, the test will be examined.

EAR TESTS

There are two tests which are, Melodic Recall and Rhythmic Recall.

MELODIC RECALL

Key: C Major pentatonic or B Minor pentatonic

Tempo: 90 bpm

The examiner will play you a two bar melody with a drum backing. The first note of the melody will be the root note and the first interval will be descending. You will play the melody back on your instrument. You will hear the test twice.

Each time the test is played it is preceded by a one bar count-in. There will be a short gap for you to practise after you have heard the test for the second time. Next you will hear a vocal count-in and you will then play the melody to the drum back.

HARMONIC RECALL

Key: C major

Tempo: 90 bpm

The examiner will play you a tonic chord followed by a two bar chord sequence in the key of C major played to a bass and drum backing. The sequence will be drawn from I, IV and V chords and may occur in any combination. You will be asked to play the chord sequence to the drum backing in the rhythm shown in the Grade 4 book. This rhythm will be used in all examples of this test given in the exam. You will then be asked to identify the chord sequence you have played to the examiner. You will hear the test twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and tonic for the third time followed by a vocal count-in then you will play the chords to the drum backing.

- Rock/Metal: crossing strings and alternate picking
- Funk: chord embellishments and muted strings
- Jazz/Latin/Blues: legato phrasing and alternate picking

QUICK STUDY PIECE

At grade 8 you will be asked to prepare and play a Quick Study Piece. The style of your QSP is determined by the stylistic study you selected in the technical exercise section. You will be shown the test and played the track with the notated parts played. Any bars that require improvisation will not be demonstrated. You will then have three minutes to study the test. The backing track will be played twice more. You are allowed to practise during the first run through of the backing track, with the notated parts now absent, before playing it to the examiner on the second playing of the backing track. The QSP is in the form of a lead sheet and it is up to you to create your own interpretation of the music in the parts marked for improvisation.

EAR TESTS

There are two tests which are, Melodic Recall and Harmonic Recall.

MELODIC RECALL

Key: E major pentatonic or F minor pentatonic or B natural minor
Tempo: 90 bpm

The first note of the melody will be either the root, third or fifth note and the first interval will be either ascending or descending. You will play the melody back

on your instrument. You will hear the test twice.

Each time the test is played the sequence is: count-in, root note, count-in, melody. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and root note for the third time followed by a vocal count-in and you will then play the melody to the bass and drum backing.

HARMONIC RECALL

Key: A major
Tempo: 90 bpm

The examiner will play you a tonic chord followed by a four bar chord sequence in the key of A major played to a bass and drum backing.

The sequence will be drawn from the I, ii, iii, IV, V and vi chords and may occur in any combination. The test may also contain Imaj7 and IVmaj7. You will be asked to play the chord sequence to the drum backing in the rhythm shown in the Grade 8 book. This rhythm will be used in all examples of this test given in the exam. You will then be asked to identify the chord sequence you have played to the examiner. You will hear the test twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and tonic for the third time followed by a vocal count-in then you will play the chords to the drum backing.
