SECTION A: QUALIFICATION SUMMARY

A.1 Aims and Broad Objectives

The aim of the Jazz Dance qualification is to provide a flexible, progressive mastery approach to the knowledge, skills and understanding required for Jazz Dance.

The purpose of RSL's graded qualifications is to motivate and encourage candidates of all ages and levels through a system of progressive mastery to develop and enhance skills, knowledge and understanding in a safe and consistent way. The qualifications are beneficial for learners wishing to progress at their own pace through smaller steps of achievement.

These qualifications are suitable for learners in all age groups.

A.2 Progression

Graded qualifications provide a flexible progression route for learners. They are a positive means of determining progress and enable learners to learn the necessary techniques to gain entry to Further Education and Higher Education courses. Graded qualifications operate according to a well established methodology of 'progressive mastery'. They tend to be more rigorous than other types of exams and for that reason industry professionals are confident that, through achievement in graded qualifications at the highest level, candidates will have the skills necessary to work in other areas of the industry.

A.3 Qualification Structure

A graded qualification consists of a range of both practical and knowledge based tasks which are based on detailed requirements outlined in the relevant syllabus.

Therefore, requirements for each grade will be set out in detail in the Unit Specifications and the Learning Outcomes and Assessment Criteria for each unit will require knowledge, skills and understanding of these syllabus requirements to be demonstrated at the grade entered.

A.4 Entry Requirements

There are no entry requirements for these qualifications. However, learners should be aware that the content at the higher grades will require a level of knowledge and understanding covered in previous qualifications.

For further details on exam dates and fees and to apply for Street Dance grades please visit the RSL website at

▶ www.rslawards.com

SECTION B: ASSESSMENT INFORMATION

B.1 Assessment Methodology

The graded examinations in Jazz Dance are assessed using two distinct sections:

Premiere - Grade 3

Technical Skills **60 marks**Performance **40 marks**

Grades 4-8

Technical Skills

(including improvisation) **60 marks**Performance **40 marks**

B.2 Expectations of Knowledge, Skills and Understanding

The graded examination system is one based on the principle of 'progressive mastery': each step in the exam chain demonstrates learning, progression and skills in incremental steps.

Successful learning is characterised by a mastery of the fundamental skills demanded in each grade.

Learners will be able to complete a set of practical tasks and be tested on their underpinning knowledge (the complexity and variety of tasks are determined by which qualification is being attempted), which allow them to demonstrate knowledge, skills and understanding in Jazz Dance relevant to the grade. These technical skills set a firm platform for further technical and creative development by the learner.

B.3 Quality Assurance

All RSL examinations and graded qualifications are standardised according to the processes and procedures laid down by RSL.

SECTION C: CANDIDATE ACCESS AND REGISTRATION

C.1 Access and Registration

The qualifications will:

- be available to everyone who is capable of reaching the required standards
- be free from any barriers that restrict access and progression
- offer equal opportunities for all wishing to access the qualifications

At the point of application, RSL will ensure that all candidates are fully informed about the requirements and demands of the qualification.

Candidates may enter online for any of the qualifications at various points in the calendar year in territories throughout the world. Dates will be published on the website at www.rslawards.com.

C.2 Recommended Prior Learning

Learners are not required to have any prior learning for these qualifications. However, learners should ensure that they are aware of the requirements and expectations of each grade prior to entering for an assessment.

SECTION D: COMPLAINTS AND APPEALS

All procedural complaints and appeals, including malpractice and requests for reasonable adjustments/special considerations, can be found on the RSL website www.rslawards.com.

SECTION E: EQUAL OPPORTUNITIES POLICY

RSL's Equal Opportunities policy can be found on the RSL website www.rslawards.com

Overview

The Performance Arts Awards (PAA) examinations are an ideal way for teachers and students to measure, assess and reward progress throughout the year. Performance Arts Awards are a part of the RSL family, awarding the Contemporary Arts in music through Rockschool and the Performing Arts through PAA.

Introduction

Jazz Dance has always been one of the most popular styles of dance for students, professional dancers and choreographers. PAA offers the opportunity for candidates to earn a recognised and quality-assured qualification whilst doing something they enjoy.

Candidates will prepare a series of technical exercises that display a range of skills within the genre. Exercises should encourage the development of strong dance technique, whilst embedding performance skills. As candidates progress through the grades, the demand of the technical exercises will increase to ensure the development of equipped dancers.

PAA gives the teacher the freedom to create inspiring work which will stretch and challenge every student. As there are no set combinations within the Jazz Dance syllabus, teachers will have creative control and will be required to lift the set technical steps and tasks from the pages and bring them to life. The teacher is encouraged to apply stylistic features, dynamics and energy to all exercises. PAA examinations in Jazz Dance are designed to develop the skills necessary to communicate through dance and movement to an audience. Candidates who prepare themselves appropriately will develop relevant skills through exploring a range of Jazz Dance styles and techniques.

The Value of RSL Qualifications

RSL advocates an open-access approach to qualifications, providing a range of syllabuses, designed to accommodate a wide variety of candidates of different ages, experience and levels of achievement. RSL qualifications are listed on the Regulated Qualifications Framework (RQF) in England and Northern Ireland by the Office of Qualifications and Examination Regulation (Ofqual). RSL is committed to maintaining and improving its reputation for excellence by providing high-quality education and training through its syllabuses, examinations and resources.

Safeguarding (including Health & Safety)

RSL takes the Safeguarding of children and vulnerable adults extremely seriously and has put in place as many preventative measures as possible within its assessment structure and processes. An outline of these is provided on the website:

www.rslawards.com/about-us/safeguarding

A staff member **must** be on hand to support the organisation of candidates and to chaperone candidates on the day of the examination.

Please note: In the interest of health and safety, teachers **must** ensure that candidates have undertaken a thorough physical warm up before commencing with the content of this syllabus.

RSL and UCAS

For students applying for work or University, many potential employers see Graded Performance Exams in a very positive way. Recognised qualifications demonstrate an ability to dedicate commitment to extra-curricular activities, providing evidence of versatility which many students find beneficial within UCAS (Universities & Colleges Admissions Service) applications and for university entrance interviews.

Our qualifications carry allocated points on the UCAS tariff. For full details relating to the allocation of points for our qualifications, please see:

www.rslawards.com/about-us/ucas-points

1 TECHNICAL SKILLS

Teacher's may arrange their own Technical Skills Exercises but must ensure that all exercises are at an appropriate level for each grade. The minimum technical requirement for each grade are listed at the relevant grade. This minimum requirement **must** be met.

The set Jazz Dance music must be used for the Technical Skills Exercises.

Arm Sequence (Grades 1-4): Note that there are two music options for the Arm Sequence, called 'Option 1' and 'Option 2'. Teachers may select either option for all candidates, or they may split candidates into two groups, with one group performing to Option 1 and the other to Option 2.

The technical exercises are demonstrated as a group but each candidate must be visible to the examiner at all times.

A maximum of eight candidates can be assessed at any one time.

Props and costumes are **not** permitted. An audience is **not** permitted.

Suggested Arrangement

Teachers can use a Suggested Arrangement of Technical Skills Exercises provided by RSL if they wish. This is available, along with a video demonstration, as a separate resource and can be accessed at www.rslawards.com/paa/syllabus

Please note: In the interest of health and safety, Technical Skills Exercises **must always** begin with a thorough warm up which sufficiently prepares candidates for all Technical Skills Exercises, Improvisation (Level 2 & 3 only) and the Performance. Warming up of the legs, ankles and feet **must** take place before commencing any impact work.

TECHNICAL SKILLS – IMPROVISATION (LEVEL 2 & 3 ONLY)

The Improvisation section of the examination gives candidates from Grades 4–8 only the opportunity to demonstrate their technical ability, musicality, creativity and individual style without restrictions.

Candidates will be required to interpret the given music through any Jazz Dance style and moves of the candidate's choice for the duration specified per grade.

Candidates may draw upon the technical moves provided for the Technical Skills Exercises in their improvisation if they wish but this is not a requirement. However, the improvisation must **not** wholly consist of technical moves that have been provided by RSL.

Candidates will improvise in small groups.

The music will be provided by the examiner and will **not** be heard until the examination.

Props and costumes are **not** permitted.

An audience is **not** permitted.

2 THE PERFORMANCE

The Performance consists of a group dance routine which can include any style or variation of Jazz Dance. Teachers have creative control over the concept, content and choreography of the group performance but must adhere to the allocated performance duration boundaries.

Teachers can refer to the minimum requirements for the Technical Skills Exercises per grade as well as the Suggested Technical Skills Exercises resource (available on the RSL website) for guidance regarding the level of difficulty expected for the Performance choreography at each grade.

A maximum of eight candidates can be assessed at any one time. If there are more than eight candidates in the group the performance may need to be repeated. Examiners may ask candidates to repeat sections of the performance if clarification is needed.

The school's uniform is sufficient, however, costumes and props are permitted.

An audience is permitted.

Teachers and candidates are encouraged to closely consider the Learning Outcomes and Assessment Criteria for the specific qualification level they are entering.

Choosing music for Performance

The selection of music is the teacher's choice and should allow the candidates the best opportunity to respond to phrasing, dynamics and atmosphere. The style and the mood of the music should allow for as much expression as possible, creating a performance that fulfills requirements for technique, musicality and communication.

Notes for the Examination

- All candidates must wear their allocated candidate number on the front and back of their clothing throughout
- The examination can include students who are not exam candidates as long as the minimum number of candidates has been met
- A member of staff **must** be present for the examination in order to operate music playback equipment
- Staff must be on hand to chaperone students from the examination once completed.

General Notes

On the day of the examination, the Principal is required to meet with the examiner to discuss any absences or changes to the day. The examiner will take a register before every examination.

Centres must provide examiners with an adequate table, chair, lighting and refreshments.

Examiners must not be in close proximity to the audience at any time.

The nature of each performance will be unique to your particular school, however, certain criteria must be met for candidates to be assessed successfully. It is the teacher's responsibility to read the Learning Outcomes, Assessment Criteria and Grading Descriptors for each grade. Teachers must ensure candidates are actively involved throughout the examination and perform a sufficient amount of material.

Staff must not lead, direct or influence the candidates during any component of the examination, and the examiner reserves the right to stop the examination in such instances.

Candidates must be arranged into groups by the **teacher in advance of the examination day**. For advice regarding candidate grouping please contact RSL.

If you wish to adapt any of the Technical Skills Exercises for a candidate who requires a Reasonable Adjustment, you **must** contact RSL Head Office for advice prior to doing so.
